Brampton	<ul style="list-style-type: none"> All residents except those on rural Residents attend weekly from blocks 1-4 2 hours 	<ul style="list-style-type: none"> All residents- separated by PGY1 and PGY2 groups weekly – half day 	<ul style="list-style-type: none"> All residents- separated by PGY1 and PGY2 groups Twice monthly 1 hour (8am-9am) Residents work with Tutors to help shape their QI question Block 7 Dragon’s Den Session Projects Presented in May 	<ul style="list-style-type: none"> Combined with EBM Sessions Residents work with Tutors to help shape their QI question Block 7 Dragon’s Den Session Projects Presented in May 	<ul style="list-style-type: none"> All Residents PGY2’s attend first week of academic sessions and PGY1’s attend the second week of sessions. All residents attend the Wednesday Morning sessions Week 1 – QI Dragon’s Den where PGY2’s present their QI Project ideas to a panel for feedback Week 2 – Residents will volunteer at 2 community schools giving presentations to middle school students about mental health. Presentation Topics for this year’s Block 7 include: Casting, Practising Wisely and an escape room designed by our Site Director. 	<ul style="list-style-type: none"> In blocks 5 – 13, residents will attend different talks scheduled by the Chief Residents from 9 am – 11:30 am. Some of these sessions will be presented by community physicians and others will be resident led. Palliative Care Narratives are also arranged during this time. BCH Department of Family Medicine Corporate Meeting – occurs once a month from September – June. This is an opportunity for residents to network with other family medicine physicians in the community and learn about local family medicine related issues. GIM Rounds – presented by community internal medicine physicians bi-weekly from noon – 1pm PBSG – occurs bi-weekly from noon – 1pm, alternating with GIM Rounds.
